In compliance with the applicable provisions of the Goods & Services Tax (GST) legislation in India, GST applicable rates (currently 18%/5%) is chargeable on different Springer Nature products. GST is a consumpt based tax and therefore its burden in all cases is solely on the customer. Price(s) quoted above are **exclusive** of applicable GST. In this regard, in view of the several amendments made by the Government of India (GoI) in GST Law, the position of GST levy and its rate as applicable on the date of issuance of the invoice shall apply.

In case your organization is registered with the Indian GST department, you will be required to deposit the GST reverse charge basis directly to the GoI. However, this is subject to your organization furnishing a copy of its G Registration certificate before invoicing. Alternatively, if your organization does not hold a GST registration or can provide its GST Registration certificate, GST may be charged by Springer Nature for onward payment to the GoI.

However, in an event where your organization is exempt from the GST under the applicable rules, Springer Nature should be informed of it at the first available opportunity but in no case later than issuance of the purchase order by your organization. In such a case, please also furnish a letter in the attached template clarifying the facts applicable in your case and reference to the relevant notification, etc. for claiming the exemption. Kindly note that Springer Nature's internal systems do not allow any amendment in / cancellation of invoice(s) after the same are issued. Therefore, no request for change in invoice including but not limited to amount payable by your organization can be entertained after rece of Purchase Order by Springer Nature.

All rights and obligations with respect to the products and services identified in this proposal or the fir invoice will be governed by Springer Nature's Product Terms and General Terms and Conditions, to be found at :

Use of the products and services will require execution of Springer Nature's standard license agreeme to be effective between you and Springer Nature. In case access to the content is granted prior executio of the Springer Nature license agreement, Springer Nature reserves the right to revoke access at any time.

Price Validity – The proposal is valid till 31st August 2020.

<http://link.springer.com>

Springer Nature eBooks access shall be provided through Springer Nature's online platform, <http://link.springer.com>. SpringerLink is one of the world's largest electronic databases of STM journals, eBooks and reference works.

Access of all eBooks is on a Continuing level
